

On Target: Team Updates

The Lone Star Select Shooting Team

Delays Continue in Scheduling Lessons

We are asking again that you do not wait until late in the month to schedule your private lesson. When this happens, weather delays or scheduling conflicts can result in missed sessions with little to no opportunity for makeups. **Please schedule your lesson as early as possible each month.**

Up Your Skeet Game!

Most every coach can guide students in skeet. If you would like to practice skeet during your private lesson, communicate that with your coach.

CAN I HAVE YOUR ATTENTION PLEASE!!

Kids are STILL coming to practice unprepared. No GUN, no AMMO, no TARGETS, no GLASSES, no EAR PROTECTION... We cannot practice if we aren't prepared! This includes SKEET TARGETS! Make sure you have ALL your equipment ready to go, EVERY SINGLE PRACTICE, before heading out on the course.

Being unprepared effects everyone, not just you!

WOOHOO! NEW TEAM JERSEYS COMING SOON!

Due to a customer service issue with G2 Gemini, the decision was made to change suppliers. We are in the new design stage with our new supplier at the moment. We should have sample sizes for the kids to try on very soon. Please make sure your child gets fitted for the new jerseys during practice in the coming weeks. LSSST will be providing every student with 3 jerseys each. More information will be released via GroupMe in the coming weeks.

Pro-Team Members will not be receiving regular team jerseys.
