Please join us in giving Theo a BIG **LONESTAR** welcome! We're so excited to have you on board, Coach Theo!  

2026 LSSST PRO TEAM

We're excited to announce our 2026 Pro Team, featuring Lane Picklo, Andrew Johnson, Connor Ebrom, Chase Wilks, Kaden Kennedy, Kenny Hartensteiner, Ashton Marleau, Kye Sopczak, Max Cienega, Collin Laing, Clay Nash, and Cash Crawford. Get ready to cheer them on as they take on the season!

Squad Responsibilities:

Practice: Come prepared with your **gun, ammo, targets** and **safety gear**. Take turns at the remote, **pulling** for your team mates. **Pay attention** while others are shooting and offer help - or even just a kind word - if someone is struggling. Be mindful of your turn at the stand! Give every shooter **equal time in the box** to practice. **Eye and ear protection** must be in place **BEFORE** you enter the course area and must **REMAIN** in place until you leave the course area. *No exceptions!*

Tournaments: **Be ready** with your gear so you don't hold up the rotation. Stand behind the shooter until it's your turn, but not in the box! Give your squad mates room, and **stay out of the stand completely** until it's your turn. **Keep your emotions in check**, example - throwing shells / complaining. Don't let frustration affect your squad or your game. Please **arrive early**, at least **1 hour** before your scheduled start time and be at your starting station no later than **20 minutes** before your rotation begins.

Diamond Classic Results Are In!

Our shooters had an incredible showing at the **2025 Diamond Classic**! Together, the team racked up **57 punches**, brought home over **\$9,100** and earned an impressive **22 Diamond Awards**.  What an outstanding weekend of competition and success—way to shine, team!

Come to Practice Prepared

Please remember to bring all your essentials (gun, ammo, safety gear) and **fill your target card before practice begins**. If you are arriving late, be completely ready (with targets) before calling a coach for pickup. Showing up prepared helps practice run smoothly, keeps everyone safe, and gives you more time to focus on improving your shooting.

Meet Our 2025 & 2026 Team Captains!
