2024 Texas State FITASC Championships

Those who are attending the Texas State FITASC Championships in June can now see their registration reflected in Score Chaser. Please check your times; if any adjustments are needed, please contact Score Chaser directly at barb@scorechaser.com. Coach Ron is waiting to hear back from the club in terms of host hotels.

Fundraiser Updates

It's time to start turning your fundraiser raffle tickets in—don't wait until the last minute! Please keep an eye on your email for periodic updates in regards to what help is needed the day-of, what items are still needed, etc.

Texas State Sporting Clays Championships

Due to the Texas State Championship, there will be no practice at all from April 15-21. Coach Ron is waiting back to hear if there will be enough courses available on Saturday the 13th to hold practice. An update will be shared in the Group Me once he has one. Coach Ron is also still looking for volunteers to setup and serve at the Hall of Fame banquet on Friday the 19th in the GHSC pavilion. There will be tables reserved for all volunteers to eat at. On the menu is prime rib, chicken, beans, "heart attack potatoes", and salad. Let Coach Ron know ASAP if you can help!

April Lessons

April is a busy month! There is a full week that no lessons can be given due to Texas State. Please schedule your monthly lesson now!

TXST FITASC Coaches Bet

Reminder of the Coach's bet at the Texas State FITASC Championship! If the kids win, Coach Ron will be wearing 'the shirt' for one event of the Diamond Classic. If the coaches win, the kids will have to run 3 laps from the pavilion all the way around the north course at practice! It's on!

Team RSVPs

Please make sure you are aware of and respond to any RSVPs requested from Coach Ron. Even if your answer is a no, your response helps Coach Ron plan for events. There has recently been a significant lack of response to RSVPs, and this has resulted in the cancellation of the team BBQ and picture day. This was also the cause of the cancellation of last year's team trip to the Texas State FITASC Championships. Most team events require a significant amount of advance notice to properly plan. RSVPs can usually be found in this newsletter, and Coach Ron often gives reminders in the Group Me and during the post-practice debrief.

Team Summer Camp

After talking to several families as well as coaches, it seems that the LSSST Summer Camp has run its course for now. Instead, this year we will be holding a team only "special tournament" at Providence Plantation on Saturday, August 3rd. The exact parameters of this competition will be a surprise, but hint: it'll be a sporting clays course that's not just sporting clays! Everything but ammo will be provided, and awesome prizes will be awarded via Lewis class. As in previous years, we will hold our annual team banquet that same weekend. The banquet and awards ceremony will be held on Sunday, August 4th at the Hilton Garden Inn on Shadow Creek Pkwy (the same hotel as last year).
